"Drug-related criminal activity" means the illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute, or use of a controlled substance (as defined in Section 102 of the Controlled Substance Act [21 U.S.C. 802]).

2. Resident, any member of the resident's household or a guest or other person under the resident's control shall not engage in any act intended to facilitate criminal activity, including drug-related criminal activity, on or near the said premises.

3. Resident or members of the household will not permit the dwelling unit to be used for, or to facilitate criminal activity, including drug-related criminal activity, regardless of whether the individual engaging in such activity is a member of the household, or a guest.

## Project Eligibility Requirements

This document lays out the requirements that relate to applying for and acceptance at the above property. NOTE: The manager of the property that you are applying for is working in behalf of the owner and is referred to in this policy as the “manager” or “owner/agent.”

**Project Specific Requirements** – This housing community is funded by HUD Section 8, the Low Income Housing Tax Credit (LIHTC) and HOME Funds programs and houses persons of all ages.

1. The apartment unit must be the sole residence of all adult household members.
2. All household members who are 18 years of age or older are required to sign consent and verification forms.
3. All information reported by the household is subject to verification.
4. Applicants must agree to pay the rent required by the program under which they will receive assistance.
5. Household members are not required to disclose gender.
6. No one may be added to the lease, or move into the unit without prior approval. The new household member will be subject to the same background screening criteria as a new move-in.
7. **EIV – Enterprise Income Verification** is a web-based computer system containing employment and income information on individuals participating in HUD’s rental assistance programs. This information assists HUD in making sure “the right benefits go to the right persons.” EIV accesses information from many sources including the following:
  - a. The Social Security Administration – benefits for Social Security (SS), Supplemental Security Income (SSI) and Dual Entitlement.
  - b. The Department of Health and Human Services (HSS) National Directory of New Hires (NDNH) – wages, unemployment compensation and new hires.
  - c. The EIV system provides the manager of the property with income information for all household members and their employment history. This information is used to meet HUD’s requirements to independently verify employment and /or income shortly after a household moves in and when they recertify for continued rental assistance.
  - d. Property managers can use the EIV system to determine if applicants:
    - Correctly reported their income
    - Used a false social security number
    - Failed to report or under-reported the income of a all household members.
    - Receive rental assistance at another property.
  - e. Household consent is required to get information from EIV. When they sign form *HUD-9887, Notice and Consent for the Release of Information*, and form *HUD-9887-A, Applicant’s/Tenant’s Consent to the Release of Information*, they are giving consent for HUD and the property owner or manager to obtain information to verify employment and/or income and determine all household member’s eligibility for HUD rental assistance. Failure to sign the consent forms may result in the denial of housing and assistance or termination of assisted housing benefits. Only those parties listed on the consent form *HUD-9887* that is signed have access to the information in EIV pertaining to household members.
  - f. All Applicants **MUST** disclose if they are currently receiving HUD housing assistance. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit.
    - HUD provides the owner/agent with information about an applicant’s current status as a HUD housing assistance recipient. The owner/agent will use a report called the *Existing Tenant Report* provided through EIV to determine if any member of the applicant household is currently receiving HUD assistance.
    - Nothing prohibits a HUD housing assistance recipient from applying to this property. However, the applicant must move out of the current property and/or forfeit any HUD assistance (including *Housing Choice Vouchers*) before HUD assistance on this property will begin. Special consideration for possible exceptions apply to:
      - a) Minor children in joint custody arrangements where two or more “custodians” received HUD assistance.

- b) Recipients of HUD assistance in another unit who are moving to establish a new household when other household members will remain in the original unit.
- There will be reports produced and reviewed on a monthly basis pertaining to failed verifications, deceased tenants and new hires. Additionally, reports will be generated to prepare for annual and interim recertifications. Also, once a household has resided in the property for 90 days, a report will be processed to verify that income reported at move-in matches income reported in EIV.

**Citizenship Requirements** – Assisted housing is restricted to U.S. citizens or nationals and non-citizens who have eligible immigration status. All household members, regardless of age, must declare their citizenship or immigration status on a *Citizenship Declaration* form. Non-citizen applicants will be required to submit documentation of eligible immigration status at the time of application, and this documentation will be verified with the government SAVE system through EIV. If the documents needed to support eligible immigration status is temporarily unavailable, the applicant may request an extension. Mixed-citizenship households (where some are citizens or eligible non-citizens and some are not) may be eligible for prorated assistance. Applicants who hold a non-citizen student visa are ineligible for assistance, as are any non-citizen household members living with the student.

**Social Security Number Disclosure Requirements** – Applicants must disclose and provide documentation of Social Security Numbers (SSN) for all household members age 6 and older prior to move-in. If a SSN is not disclosed for an applicant household member who is under the age of 6, the household may move in, provided the child was added to the household within the last six months prior to move-in and the child has not been assigned a SSN. The households will have 90 days to provide the SSN. Under extenuating circumstances, one additional 90-day extension may be granted. This is the same extension timeframe allotted to in-place households wishing to add a new member under the age of 6, to the household. The requirement to disclose SSNs applies to all persons living in the unit, including any foster children or foster adults and live-in aides who assist disabled household members.

Social security number requirements do not apply to:

- a) Individuals who do not contend eligible immigration status.
  - The owner/agent will use each resident's *Citizenship Declaration* on file (see *Citizenship Requirements*, above) – whereby the individual did not contend eligible immigration status – to support exception to the requirements to disclose and provide verification of a SSN.
- b) Individuals age 62 or older as of January 31<sup>st</sup>, 2010, whose initial determination of eligibility for HUD assistance was before January 31, 2010.
  - The eligibility date is based on the initial effective date of the form *HUD – 50059* or form *HUD – 50058*, whichever is applicable.
  - Documentation that verifies the applicant's exemption status must be obtained from the owner of the property where the initial determination of eligibility was determined prior to January 31, 2010. The owner/agent cannot merely accept a certification from the applicant stating they qualify for the exemption.
  - This documentation will be retained in the resident file.
  - The exception status for these individuals is retained if the individual moves to a new assisted unit under any HUD assisted program or even if there is a break in his or her participation in a HUD assisted program.

## Income Limits

HUD establishes and publishes income limits annually based on household size for each county in the United States based on the median income of the geographic area. New households must be at or below these limits, as applicable to the unit they are applying for. The specific income limits for this property are listed on the cover letter to this Plan.

**Economic Mix (Income Targeting) Requirements for Section 8 Properties** – 40% of all move-ins to this property each year must be at or below the extremely-low (30%) income limit. Applicants who are above this limit may receive lower priority until the 40% is reached each year based on historical levels. Other applicants must be below the very-low (50%) limits.

## Procedures for Accepting Applications and Selecting from Waiting List

**Procedures for Accepting Applications and Pre-applications** – Applications for residency are available to all persons.

Anyone who wishes to be a resident will generally need to provide at least the following:

- Photo IDs for all adult household members.
- Information on household characteristics: name, age, disability status (only to establish eligibility for a specific property for the elderly/disabled or for certain deductions when determining rent), need for an accessible unit, and race/ethnicity information.
- Household contact information.
- Sources and estimates of household's anticipated annual income and assets
- A completed *Citizenship Declaration*
- Screening Information
- Whether the applicant or any household member is subject to any state's lifetime sex offender registration
- List of states where the applicant and all members of the household have resided
- Disclosure of SSN's for all members of the household or information on applicants who were age 62 or older as of January 31, 2010 and who do not have a SSN if they were receiving HUD rental assistance on January 31, 2010.

Form HUD-92006 will be provided for applicants to identify an individual or organization that the owner may contact in cases of emergency.

1. Applications will be accepted once completed in full and properly signed per unit size and type in chronological time and date order. Households that include persons with disabilities will be given preference for units with special accessibility features. If a unit that fits the applicant's needs is not available, their name will be placed on the waiting list (maintained in the same time-and-date order) after preliminary eligibility determination. If an extremely low-income applicant is needed to achieve income targeting requirements, and the next applicant has income above the extremely-low (30% AMI) income limit, that applicant must stay on the waiting list until the property is ready to house an applicant with income above the extremely low-income limit (see *Economic Mix (Income Targeting) Requirements for Section 8 Properties* section above).
2. Applicants for properties with certain HUD funding (sections 221(d)(3) and 236) who have been displaced by government action or a presidentially declared disaster qualify for a preference. This will prioritize them below those waiting for features of an accessible unit, but above other applicants. Applicants who believe that they may meet this preference may inquire of the property manager to see if the preference applies and to supply documentation supporting their status to meet the preference.
3. The waiting list will be updated a minimum of once every six months. Applicant households who have not informed the property that they want to remain on this list may be removed.
4. Applicants will be moved to the bottom of the waiting list if their application is approved but the applicant is unable or unwilling to accept one of the available units.
5. Applicants will be deactivated from the waiting list if:
  - a. They do not inform the manager of their desire to stay on the list at least once every 6 months.
  - b. They accept a unit at another community.
  - c. Their application is denied for any reason.
  - d. The property manager is no longer able to contact the applicant by phone or mail.
  - e. They inform the manager by phone, in person or by mail that they no longer need a unit.
  - f. The applicant is offered and rejects a unit three times at the community.

Applicants who are denied may appeal the denial in writing within ten (10) days from the date of receiving a denial letter. A successful appeal will result in reactivation on the top of the waiting list.

**Procedures for Applying Preference (Income Targeting)** – A preference is applied at this property for extremely-low (30% AMI) income households, called by HUD *Income Targeting*. Owners must make at least 40 percent of the assisted units that become available each year available for leasing to households whose income do not exceed 30 percent of the area median income (*extremely-low* income) at the time of admission or when rental assistance begins. If the owner actively markets at least 40 percent of the annually available units to extremely low-income households but is unable to fill all the units with households meeting the requirement, the owner may be permitted to rent to other eligible households after a reasonable marketing period has expired.

### Applicant Screening Criteria – Criminal and Drug-related History and Sex Offender Checks

All applicants age 18 or older and dependents turning 18 years of age after initial tenancy will be screened for residency. Screening criteria will be applied consistently to all applicants. However, consideration may be made when negative history directly relates to a disability and such history is likely not to be repeated if reasonable accommodations can be made. Victims of violence whose negative history directly relates to the violence may also have certain rights (see *Violence Against Women Act* section below).

- A. **Criminal history checks** will be run on every applicant 18 years of age and older. Such checks help the owner to meet a serious business responsibility toward the legitimate end of ensuring safety for residents and physical integrity of the property. Certain crimes, if repeated, would pose a risk to residents and property. Where admission may be denied to a household based on criminal background, and such denial is appealed, an individualized assessment of the criminal record and its impact on the household's suitability for admission will be conducted to the extent possible. This individualized assessment will include consideration of the following factors: (1) the seriousness of the criminal offense; (2) the relationship between the criminal offense and the safety and security of residents, staff, or property; (3) the length of time since the offense, with particular weight being given to significant periods of good behavior; (4) the age of the household member at the time of the offense; (5) the number and nature of any other criminal convictions; (6) evidence of rehabilitation, such as employment, participation in a job training program, education, participation in a drug or alcohol treatment program, or recommendations from a parole or probation officer, employer, teacher, social worker, or community leader; and (7) tenancy supports or other risk mitigation services the applicant will be receiving during tenancy.

When reviewing criminal backgrounds, the below general standards will be used.

- 1) **Expunged or sealed convictions** will not be used in determining eligibility.
- 2) **Arrest or charge that was resolved** without conviction will not be used. Although admission will not be denied solely based on an arrest, an arrest may be the basis for further inquiry and a decision can be made on the conduct and other supporting information such as police reports detailing the circumstances of the arrest, witness statements and other relevant documentation. Arrests and open cases may also be used to determine that a pattern of behavior evidenced by past convictions continues.
- 3) Any applicant unlawfully obtaining government assistance or committing fraud will be denied.
- 4) **Violent crimes against persons**
  - a. If a member of an applicant household has been convicted of a violent felony offense involving crimes of physical violence to persons or the nature of which would be detrimental to the safety or welfare of other residents or their peaceful occupancy of the premises, the application may be denied if the conviction, or exit from incarceration, occurred within 20 years of application. Persons with felony convictions for murder, attempted murder and terrorism may be denied for up to 50 years.
  - b. If a member of an applicant household has been convicted of a violent misdemeanor offense involving crimes of physical violence to persons or the nature of which would be detrimental to the safety or welfare of other residents or their peaceful occupancy of the premises, the application may be denied if the conviction, or exit from incarceration, occurred within 10 years of application. Persons with convictions for misdemeanor murder or attempted murder may be denied for up to 25 years. Persons with convictions for misdemeanor terrorism may be denied for up to 50 years.
- 5) **Crimes against property**
  - a. If a member of an applicant household has been convicted of a violent felony offense involving crimes against property, the application will be denied if the conviction, or exit from incarceration, occurred within 7 years of application; and may be denied if the conviction, or exit from incarceration, occurred more than 7 years before application. The limit for persons with a felony arson conviction is 15 years.
  - b. If a member of an applicant household has been convicted of a violent misdemeanor offense involving crimes against property, the application may be denied if the conviction, or exit from incarceration, occurred within 5 years of application. The limit for persons with a misdemeanor arson conviction is 10 years.
- 6) **Nonviolent felony and misdemeanor offences**
  - a. If a member of an applicant household has been convicted of a nonviolent felony offense that is not a crime against a person or property, the application may be denied if the crime, if repeated, would impact the safety of the residents or the integrity of the programs funding the property (such as fraud). Such convictions will generally not result in denial after 7 years for felonies and 5 years for misdemeanors.
  - b. Some criminal convictions (felony or misdemeanor) that do not involve violent crimes against others or property and that, if repeated, are not likely to impact the safety of the residents or the integrity of the programs funding the property, provide no basis for application denial.
- 7) **Drug-related**

- a. All applicants who are currently engaging in **illegal drug use** will be denied.
  - b. All applicants who have been convicted of **distribution or manufacture of illegal drugs** will be denied.
  - c. All applicants may be denied for which the landlord determines that there is reasonable cause to believe that a household member's **alcohol abuse** or pattern of alcohol abuse (or **illegal use of drugs** or pattern of illegal use of drugs) may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.
  - d. Any household member that has been evicted from federally-assisted housing for drug-related criminal activity for 5 years from the date of eviction may be denied. If the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program or circumstances leading to the eviction no longer exist (for example the household member no longer resides with the applicant household) the owner may, but is not required to, admit the household.
  - e. Exceptions to the criminal standards relating to past illegal drug use (but not distribution or manufacture) may be made for those participating in or having graduated from a State Drug Court Program. Only programs sanctioned by the State's Judicial System following the National Drug Court Model will be considered for this exception.
- B. All applicant household members will be checked against the Dru Sjodin National Sex Offender Database for lifetime sex offenders in all states that they have lived. If found on registry, applicant will be denied.

### **Applicant Screening Criteria – EIV Existing Tenant Search**

Prior to move-in, the EIV *Existing Tenant Search* will be run on all applicants. This report will inform if a household is receiving HUD assistance at any other property and not eligible to receive assistance at the new property.

### **Applicant Screening Criteria – Credit and Other Screening Criteria**

- A. **Credit reports** will be done on all applicants 18 years of age and older.
- 1) Applicants without credit history will not be denied.
  - 2) A positive credit history is desired.
  - 3) Applicants with the following negative credit history may be denied;
    - a) Undischarged bankruptcies within 24 months
    - b) Outstanding landlord debt evident within 60 months
    - c) Collections within 24 months
    - d) Legal items, such as judgements, within 24 months
    - e) Outstanding tax liens within 24 months
    - f) Evictions filed within 60 months
    - g) If they are included on management exclusion list for negative history with other Costello properties.
    - h) Passing bad checks
    - i) Address(es) provided on application could not be verified.
- B. **Rental History**
- 1) Lack of rental history is not grounds for rejection; however personal references will be required.
  - 2) Applicants with previous rental history must have references as a good resident, including but not limited to the following:
    - a. Favorable rent history (rent was paid on time).
    - b. Have no material non-compliance violations of the rental agreement.
    - c. Kept the unit clean and in good condition.
    - d. Must not have allowed unauthorized residents to reside in the unit.
    - e. Must not have endangered the health and safety of any other residents, the landlord or any of his agents.
    - f. Must not have interfered with the rights and quiet enjoyment of the other residents.
    - g. If any household member has been evicted from any type of housing for drug related criminal activity in the last 5 years, the application will be denied.
- C. If a household is applying for a unit that does not have rental assistance, they must demonstrate the ability to pay rent. Applicants must have monthly gross income no less than two times (2 X) the monthly rental amount.

**Procedures for Rejecting Ineligible Applicants** – If an applicant is denied admission to the property they will receive a written notice stating the reason(s) for the rejection. The notice will also inform how the applicant can obtain the background

checks that were used to make the decision. The applicant has the right to respond in writing to dispute the rejection within 14 days of the notice.

Management reserves the right to reject any application in which applicant delays the processing of an application or delays their move in date for more than 10 days.

Victims of domestic violence, dating violence, sexual assault, or stalking have certain rights. See the section below *Violence Against Women Act*.

## Occupancy Standards

In order to ensure that a property and unit is not overburdened with too many residents while not underutilizing units, occupancy standards have been established with minimum and maximum numbers of residents allowed by unit size. The specific income limits for this property are listed on the cover letter to this Plan.

1. A single person cannot occupy a unit with two or more bedrooms unless one of the following applies:
  - a. A person with a disability needs the larger unit as a reasonable accommodation.
  - b. A person displaced from another unit at the property needs a unit when no appropriately sized unit is available.
  - c. One member remains of a formerly larger household and no appropriately sized unit is available.
2. A larger unit size may be assigned upon request if one of the following conditions exists:
  - a. The household needs a larger unit as a reasonable accommodation for a household member who has a disability.
  - b. No eligible applicant household in need of the larger unit is available to move into the unit within 60 days and the property has the proper size unit for the household but it is not currently available. The household must also agree in writing to move at its own expense when a proper size unit becomes available.

## Unit Transfer Policies

1. Current tenants requesting a unit transfer must have just cause. No transfer will be made without management's approval and consideration of the community's financial status. Households will be added to the waiting list of applicants provided there is no record of consistent late or unpaid rental obligations, no record of police activity, infractions and inspection of the tenant's current unit must indicate there is no damage to the property or poor housekeeping habits resulting in health or safety hazards.
2. Current resident households requesting a unit transfer for the following reasons will be given preference for a unit over those on the waiting list to move into the property. The order of granting multiple transfer requests outstanding at the same time will be on a priority basis based on urgency of need, then time of request.
  1. A unit transfer for a medical reason certified by a qualified professional, a need for an accessible unit or to accommodate a person with a disability.
  2. A victim of violence that seeks an emergency transfer within a property under the Violence Against Women Act (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will not need to reapply or be subject to rescreening.
  3. A victim of violence that seeks an emergency transfer from another property managed by Costello Property Management under the Violence Against Women Act (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will need to re-apply but will not be subject to re-screening as long as they are in good standing at their current residence.
  4. A victim of violence that seeks an emergency transfer from another property not managed by Costello Property Management under the Violence Against Women Act (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will need to re-apply and will be subject to re-screening as are other applicants.
  5. A required unit transfer due to household size or changes in household composition. When an owner determines that a transfer is required, the household must move within 30 days after notification that a unit of the required size is available within the property or may remain in their current unit and pay the approved market rent.

## Policies to Comply with Section 504 of the Rehabilitation Act of 1973, The Fair Housing Act and other Civil Rights Statutes and Executive Orders

1. Non-Discrimination Policies

The owner and management company does not discriminate based upon race, color, religion, creed, national origin, sex, age, disability or familial status.

2. 504 Compliance

The landlord complies with Section 504 of the Rehabilitation Act, which prohibits discrimination in all HUD subsidized or assisted housing programs solely based on disability and that physical accessibility is provided for persons with disabilities. Questions relating to Section 504 and accessibility for individuals with disabilities can be directed to Costello Property Management's 504 Coordinator, Scott Michael Dunn, by phone at (605)336-9131. If an applicant feels that they have been discriminated against, contact South Dakota Housing and Development Authority's (SDHDA) 504 Coordinator, at 1-800-540-4241.

3. FHA Compliance

The Fair Housing Act (FHA) prohibits discrimination in the sale, rental or financing of housing based on race, color, religion, sex, disability, familial status, or national origin. Federal law also prohibits discrimination based on age and state law prohibits discrimination based on creed. If an applicant has a question regarding Fair Housing or feel that they have been discriminated against, contact the statewide Fair Housing ombudsman, Paul Flogstad, at (877) 832-0161.

4. Limited English Proficiency

Executive Order 13166, *Improving Access to Services for Persons with Limited English Proficiency (LEP)* requires government agencies and owners to take affirmative steps to communicate with persons who need services or information in a language other than English. We take all reasonable steps to ensure meaningful access to the information and services we provide for persons with LEP. This may include interpreter services and/or written materials translated into other languages.

### Opening and Closing the Waiting List

1. The waiting list will be closed for one or more unit sizes when the average wait is one year or more. Potential applicants will be advised if the waiting list is closed and additional applications will not be accepted. Notice of this action will be published in the local newspaper.
2. When the waiting list is re-opened and applications will be accepted again, notice will be published in the local newspaper.

### Eligibility for Students

#### HUD and HOME Student Eligibility

Student eligibility restrictions apply to applicants enrolled at an institution of higher education who are under 24 years of age, unless the student is living with his/her parents.

If the student meets at least one of the following criteria, they qualify:

- A veteran
- Married
- A parent with a dependent child
- A disabled individual who was receiving Section 8 assistance prior to November 30, 2005

If they do not meet one of the above, the student must be either:

1. Independent from parents OR

2. Have parents who are income-eligible

To prove that a person is "independent," ALL of the following must be documented. The person must:

- A. Be of legal contract age under state law, AND
- B. Have established a separate residence (NOT dormitory housing) from parents for at least a year OR meet the U.S. Department of Education definition of an independent student, AND

▪ NOTE: in addition to the above criteria, an "independent student" includes one who is any one of the following:

- A veteran
- Has a legal dependent (example: a parent)
- A graduate or professional student
- A "vulnerable youth", including:
  - An orphan or ward of the State or in foster care at any point since age 13.
  - An unaccompanied homeless child or youth who is self-supporting as defined by 1) the McKinney-Vento Act, 2) Runaway and Homeless Youth Act or 3) a financial aid administrator.
  - An emancipated minor or was one before they became an adult.

- C. Not be claimed on their parent's tax return, AND
- D. Have documentation from their parents establishing if they do or do not receive financial assistance from the parents (except for "vulnerable youths").

If the applicant does not meet any of the above criteria; they must meet eligibility requirements and their parents, individually and jointly, must be below the low-income limit for the area in which they live. If any student in a household is an ineligible student at the time of application, the household application will be denied for occupancy.

If any member of a household becomes an ineligible student at any point in the future, the household is ineligible to receive rental assistance.

### LIHTC Student Eligibility

In addition to the above HUD-based student rules, each household must also meet completely different LIHTC student rules, as follows.

Generally, households made up entirely of full-time students do not qualify for LIHTC units. The following 5 exceptions apply, however.

1. All adults are married and entitled to file a joint tax return.
2. An adult member is a single parent with a minor child in the unit, the adult is not a tax dependent of any third party, and the children are not claimed as a tax dependent by anyone other than one of their parents (even if the other parent is not in the unit).
3. The household includes a member who receives welfare assistance in the form of Temporary Assistance to Needy Households (TANF).
4. The household includes a member who formerly was a foster child or adult
5. The household contains a member who gets assistance from the Job Training Partnership Act (JTPA), Workforce Investment Act or similar program.

If a full-time student household does not meet any of the above criteria at the time of application, the household application will be denied for occupancy.

If any household becomes an ineligible student household at any point in the future, the household is no longer eligible to reside in an LIHTC unit.

### The Violence Against Women Act

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation. If a household otherwise qualifies for occupancy, they cannot be denied admission or denied assistance solely based on factors relating to the fact that any member or affiliated individual is or has been a victim of domestic violence, dating violence, sexual assault, or stalking. Affiliated individual means a spouse, parent, brother, sister, or child, or a person to whom a person stands in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household

If an application is denied based on factors that a household feels are directly related to the fact that a household member or other affiliated individual is a victim, they may inform the manager of this at the property where they are applying. A *Victim Certification* form will be provided along with a *Notice of Rights Under VAWA*. A completed *Victims Cert*, police reports, statements from persons who provided victim care or other documentation as listed in the *Notice* may be submitted within 14 business days. The manager will then consider their rights under VAWA and inform if they qualify for overturn of the denial. If a request is not received within the 14 days, the owner is under no further obligation and the denial will be upheld. All information provided will be kept in the strictest confidence and not put on any shared database.

A tenant who is a victim of a VAWA crime may request an emergency transfer when further violence or harm is imminent, or if the tenant was a victim of a sexual assault occurring on the property within 90 days prior to the transfer request. Our Emergency Transfer Plan is available to anyone requesting to see it.
