Project Eligibility Requirements

This document lays out the requirements that relate to applying for and acceptance at the above property. NOTE: The manager of the property that you are applying for is working in behalf of the owner and is referred to in this policy as the "manager" or "owner/agent."

Project Specific Requirements – This housing community is funded by the Low Income Housing Tax Credit (LIHTC) program and is for residents of all ages.

1. The apartment unit must be the sole residence of all adult household members.
2. All household members who are 18 years of age or older are required to sign consent and verification forms.
3. All information reported by the household is subject to verification.
4. Applicants must agree to pay the rent required by the program under which they will receive assistance.
5. Household members are not required to disclose gender.
6. No one may be added to the lease, or move into the unit without prior approval. The new household member will be subject to the same background screening criteria as a new move-in.

Social Security Number Disclosure Requirements – Applicants must disclose and provide documentation of Social Security Numbers (SSN) for all household members age 6 and older prior to move-in. If a SSN is not disclosed for an applicant household member who is under the age of 6, the household may move in, provided the child was added to the household within the last six months prior to move-in. The households will have 90 days to provide the SSN. Under extenuating circumstances, one additional 90-day extension may be granted. This is the same extension timeframe allotted to in-place households wishing to add a new member under the age of 6, to the household. The requirement to disclose SSNs applies to all persons living in the unit, including any foster children or foster adults and live-in aides who assist disabled household members.

Income Limits

HUD establishes and publishes income limits annually based on household size for each county in the United States based on the median income of the geographic area. New households must be at or below these limits, as applicable to the unit they are applying for. The specific income limits for this property are listed on the cover letter to this Plan.

Procedures for Accepting Applications and Selecting from Waiting List

Procedures for Accepting Applications and Pre-applications – Applications for residency are available to all persons.

Anyone who wishes to be a resident will generally need to provide at least the following:

- Photo IDs for all adult household members.
 - Information on household characteristics: name, age, disability status (only to establish eligibility for a specific property for the elderly/disabled or to establish the need for a reasonable accommodation), need for an accessible unit, and race/ethnicity information.
 - Household contact information.
 - Sources and estimates of household's anticipated annual income and assets
 - Screening Information
 - Whether the applicant or any household member is subject to any state's lifetime sex offender registration
 - List of states where the applicant and all members of the household have resided
 - Disclosure of SSN's for all members of the household.
1. Applications will be accepted once completed in full and properly signed per unit size and type in chronological time and date order. Households that include persons with disabilities will be given preference for units with special accessibility features. If a unit that fits the applicant's needs is not available, their name will be placed on the waiting list (maintained in the same time-and-date order) after preliminary eligibility determination.
 2. The waiting list will be updated a minimum of once every six months. Applicant households who have not informed the property that they want to remain on this list may be removed.

3. Applicants will be moved to the bottom of the waiting list if their application is approved but the applicant is unable or unwilling to accept one of the available units.
4. Applicants will be deactivated from the waiting list if:
 - a. They do not inform the manager of their desire to stay on the list at least once every 6 months.
 - b. They accept a unit at another community.
 - c. Their application is denied for any reason.
 - d. The property manager is no longer able to contact the applicant by phone or mail.
 - e. They inform the manager by phone, in person or by mail that they no longer need a unit.
 - f. The applicant is offered and rejects a unit three times at the community.

Applicants who are denied may appeal the denial in writing within ten (10) days from the date of receiving a denial letter. A successful appeal will result in reactivation on the top of the waiting list.

Applicant Screening Criteria – Criminal and Drug-related History and Sex Offender Checks

All applicants age 18 or older and dependents turning 18 years of age after initial tenancy will be screened for residency. Screening criteria will be applied consistently to all applicants. However, consideration may be made when negative history directly relates to a disability and such history is likely not to be repeated if reasonable accommodations can be made. Victims of violence whose negative history directly relates to the violence may also have certain rights (see *Violence Against Women Act* section below).

- A. **Criminal history checks** will be run on every applicant 18 years of age and older. Such checks help the owner to meet a serious business responsibility toward the legitimate end of ensuring safety for residents and physical integrity of the property. Certain crimes, if repeated, would pose a risk to residents and property. Where admission may be denied to a household based on criminal background, and such denial is appealed, an individualized assessment of the criminal record and its impact on the household's suitability for admission will be conducted to the extent possible. This individualized assessment will include consideration of the following factors: (1) the seriousness of the criminal offense; (2) the relationship between the criminal offense and the safety and security of residents, staff, or property; (3) the length of time since the offense, with particular weight being given to significant periods of good behavior; (4) the age of the household member at the time of the offense; (5) the number and nature of any other criminal convictions; (6) evidence of rehabilitation, such as employment, participation in a job training program, education, participation in a drug or alcohol treatment program, or recommendations from a parole or probation officer, employer, teacher, social worker, or community leader; and (7) tenancy supports or other risk mitigation services the applicant will be receiving during tenancy.

When reviewing criminal backgrounds, the below general standards will be used.

- 1) **Expunged or sealed convictions** will not be used in determining eligibility.
- 2) **Arrest or charge that was resolved** without conviction will not be used. Although admission will not be denied solely based on an arrest, an arrest may be the basis for further inquiry and a decision can be made on the conduct and other supporting information such as police reports detailing the circumstances of the arrest, witness statements and other relevant documentation. Arrests and open cases may also be used to determine that a pattern of behavior evidenced by past convictions continues.
- 3) Any applicant unlawfully obtaining government assistance or committing fraud will be denied.
- 4) **Violent crimes against persons**
 - a. If a member of an applicant household has been convicted of a violent felony offense involving crimes of physical violence to persons or the nature of which would be detrimental to the safety or welfare of other residents or their peaceful occupancy of the premises, the application may be denied if the conviction, or exit from incarceration, occurred within 20 years of application. Persons with felony convictions for murder, attempted murder and terrorism may be denied for up to 50 years.
 - b. If a member of an applicant household has been convicted of a violent misdemeanor offense involving crimes of physical violence to persons or the nature of which would be detrimental to the safety or welfare of other residents or their peaceful occupancy of the premises, the application may be denied if the conviction, or exit from incarceration, occurred within 10 years of application. Persons with convictions for misdemeanor murder or attempted murder may be denied for up to 25 years. Persons with convictions for misdemeanor terrorism may be denied for up to 50 years.
- 5) **Crimes against property**
 - a. If a member of an applicant household has been convicted of a violent felony offense involving crimes against property, the application will be denied if the conviction, or exit from incarceration, occurred

within 7 years of application; and may be denied if the conviction, or exit from incarceration, occurred more than 7 years before application. The limit for persons with a felony arson conviction is 15 years.

- b. If a member of an applicant household has been convicted of a violent misdemeanor offense involving crimes against property, the application may be denied if the conviction, or exit from incarceration, occurred within 5 years of application. The limit for persons with a misdemeanor arson conviction is 10 years.

6) Nonviolent felony and misdemeanor offences

- a. If a member of an applicant household has been convicted of a nonviolent felony offense that is not a crime against a person or property, the application may be denied if the crime, if repeated, would impact the safety of the residents or the integrity of the programs funding the property (such as fraud). Such convictions will generally not result in denial after 7 years for felonies and 5 years for misdemeanors.
- b. Some criminal convictions (felony or misdemeanor) that do not involve violent crimes against others or property and that, if repeated, are not likely to impact the safety of the residents or the integrity of the programs funding the property, provide no basis for application denial.

7) Drug-related

- a. All applicants who are currently engaging in **illegal drug use** will be denied.
- b. All applicants who have been convicted of **distribution or manufacture of illegal drugs** will be denied.
- c. All applicants may be denied for which the landlord determines that there is reasonable cause to believe that a household member's **alcohol abuse** or pattern of alcohol abuse (or **illegal use of drugs** or pattern of illegal use of drugs) may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.
- d. Any household member that has been evicted from federally-assisted housing for drug-related criminal activity for 5 years from the date of eviction may be denied. If the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program or circumstances leading to the eviction no longer exist (for example the household member no longer resides with the applicant household) the owner may, but is not required to, admit the household.
- e. Exceptions to the criminal standards relating to past illegal drug use (but not distribution or manufacture) may be made for those participating in or having graduated from a State Drug Court Program. Only programs sanctioned by the State's Judicial System following the National Drug Court Model will be considered for this exception.

- B. All applicant household members will be checked against the Dru Sjojin National Sex Offender Database for lifetime sex offenders in all states that they have lived. If found on registry, applicant will be denied.

Applicant Screening Criteria – Credit and Other Screening Criteria

A. Credit reports will be done on all applicants 18 years of age and older.

- 1) Applicants without credit history will not be denied.
- 2) A positive credit history is desired.
- 3) Applicants with the following negative credit history may be denied;
 - a) Undischarged bankruptcies within 24 months
 - b) Outstanding landlord debt evident within 60 months
 - c) Collections within 24 months
 - d) Legal items, such as judgements, within 24 months
 - e) Outstanding tax liens within 24 months
 - f) Evictions filed within 60 months
 - g) If they are included on management exclusion list for negative history with other Costello properties.
 - h) Passing bad checks
 - i) Address(es) provided on application could not be verified.

B. Rental History

- 1) Lack of rental history is not grounds for rejection; however personal references will be required.
- 2) Applicants with previous rental history must have references as a good resident, including but not limited to the following:
 - a. Favorable rent history (rent was paid on time).

- b. Have no material non-compliance violations of the rental agreement.
 - c. Kept the unit clean and in good condition.
 - d. Must not have allowed unauthorized residents to reside in the unit.
 - e. Must not have endangered the health and safety of any other residents, the landlord or any of his agents.
 - f. Must not have interfered with the rights and quiet enjoyment of the other residents.
 - g. If any household member has been evicted from any type of housing for drug related criminal activity in the last 5 years, the application will be denied.
- C. If a household is applying for a unit that does not have rental assistance, they must demonstrate the ability to pay rent. Applicants must have monthly gross income no less than two and one half times (2 ½ X) the monthly rental amount.

Procedures for Rejecting Ineligible Applicants – If an applicant is denied admission to the property they will receive a written notice stating the reason(s) for the rejection. The notice will also inform how the applicant can obtain the background checks that were used to make the decision. The applicant has the right to respond in writing to dispute the rejection within 14 days of the notice.

Management reserves the right to reject any application in which applicant delays the processing of an application or delays their move in date for more than 10 days.

Victims of domestic violence, dating violence, sexual assault, or stalking have certain rights. See the section below *Violence Against Women Act*.

Occupancy Standards

In order to ensure that a property and unit is not overburdened with too many residents while not underutilizing units, occupancy standards have been established with minimum and maximum numbers of residents allowed by unit size. The specific occupancy standards for this property are listed on the cover letter to this Plan.

A larger unit size may be assigned upon request if the household needs a larger unit as a reasonable accommodation for a household member who has a disability.

Unit Transfer Policies

1. Current tenants requesting a unit transfer must have just cause. No transfer will be made without management's approval and consideration of the community's financial status. Households will be added to the waiting list of applicants provided there is no record of consistent late or unpaid rental obligations, no record of police activity, infractions and inspection of the tenant's current unit must indicate there is no damage to the property or poor housekeeping habits resulting in health or safety hazards.
2. Current resident households requesting a unit transfer for the following reasons will be given preference for a unit over those on the waiting list to move into the property. The order of granting multiple transfer requests outstanding at the same time will be on a priority basis based on urgency of need, then time of request.
 1. A unit transfer for a medical reason certified by a doctor, a need for an accessible unit or to accommodate a person with a disability.
 2. A victim of violence that seeks an emergency transfer **within a property** under the *Violence Against Women Act* (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will not need to reapply or be subject to rescreening.
 3. A victim of violence that seeks an emergency transfer **from another property managed by Costello** Property Management under the *Violence Against Women Act* (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will need to re-apply but will not be subject to re-screening as long as they are in good standing at their current residence.
 4. A victim of violence that seeks an emergency transfer from **another property not managed by Costello** Property Management under the *Violence Against Women Act* (VAWA) to avoid imminent danger of repeated violence or when the violence was sexual assault within 90 days of the request. The resident will need to re-apply and will be subject to re-screening as are other applicants.
 5. A required unit transfer due to household size or changes in household composition. When an owner determines that a transfer is required, the household must move within 30 days after notification that a unit of the required size is available within the property or may remain in their current unit and pay the approved market rent.

Policies to Comply with The Fair Housing Act and other Civil Rights Laws and Statutes

1. Non-Discrimination Policies
The owner and management company does not discriminate based upon race, color, religion, creed, national origin, sex, age, disability or familial status.
2. FHA Compliance
The Fair Housing Act (FHA) prohibits discrimination in the sale, rental or financing of housing based on race, color, religion, sex, disability, familial status, or national origin. Federal law also prohibits discrimination based on age and state law prohibits discrimination based on creed. If an applicant has a question regarding Fair Housing or feel that they have been discriminated against, contact the statewide Fair Housing ombudsman, Paul Flogstad, at (877) 832-0161.

Opening and Closing the Waiting List

1. The waiting list will be closed for one or more unit sizes when the average wait is one year or more. Potential applicants will be advised if the waiting list is closed and additional applications will not be accepted. Notice of this action will be published in the local newspaper.
2. When the waiting list is re-opened and applications will be accepted again, notice will be published in the local newspaper.

Eligibility for Students

Generally, households made up entirely of full-time students do not qualify for LIHTC units. The following 5 exceptions apply, however.

1. All adults are married and entitled to file a joint tax return.
2. An adult member is a single parent with a minor child in the unit, the adult is not a tax dependent of any third party, and the children are not claimed as a tax dependent by anyone other than one of their parents (even if the other parent is not in the unit).
3. The household includes a member who receives welfare assistance in the form of Temporary Assistance to Needy Households (TANF).
4. The household includes a member who formerly was a foster child or adult
5. The household contains a member who gets assistance from the Job Training Partnership Act (JTPA), Workforce Investment Act or similar program.

If a full-time student household does not meet any of the above criteria at the time of application, the household application will be denied for occupancy.

If any household becomes an ineligible student household at any point in the future, the household is no longer eligible to reside in an LIHTC unit.

The Violence Against Women Act

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation. If a household otherwise qualifies for occupancy, they cannot be denied admission or denied assistance solely based on the fact any member is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

If an application is denied based on factors that a household feels are directly related to the fact that a household member is a victim, they may inform the manager of this at the property where they are applying. A *Victim Certification* form will be provided along with a *Notice of Rights Under VAWA*. A completed *Victims Cert*, police reports, statements from persons who provided victim care or other documentation as listed in the *Notice* may be submitted within 14 business days. The manager will then consider their rights under VAWA and inform if they qualify for overturn of the appeal. If a request is not received within the 14 days, the owner is under no further obligation and the denial will be upheld. All information provided will be kept in the strictest confidence and not put on any shared database.

CRIME FREE MULTI-HOUSING PROGRAM

“Keeping Illegal Activity Out of Rental Property”

Designed as a partnership between law enforcement, managers and tenants to help tenants, managers and owners in keeping drug and criminal activity out of rental property.

The program is based on a national program that originated in Mesa, Arizona in 1992 and currently is an international program. The program has shown a national average of 50%-60% reduction in crime and/or police calls for those properties actively working the program.

The program is designed to help rental property managers, with the assistance of tenants, deal with potential and current renters who may be involved in criminal activities within the rental property.

By using the Crime Free Lease Addendum and the following standards, managers are able to prevent potential criminal behavior from moving onto the property. This creates a safer place for the resident to call home.

Even though no program can guarantee that there will never be any criminal activity on a property, the Crime Free Multi-Housing program has shown that it can help make a property safer and better for the tenants.

If you have any questions about the program or the minimum standards, you are encouraged to speak with the manager or contact:
