## CRIME FREE MULTI-HOUSING PROGRAM

"Keeping Illegal Activity Out of Rental Property"

Designed as a partnership between law enforcement, managers and tenants to help tenants, managers and owners in keeping drug and criminal activity out of rental property.

The program is based on a national program that originated in Mesa, Arizona in 1992 and currently is an international program. The program has shown a national average of 50%-60% reduction in crime and/or police calls for those properties actively working the program.

The program is designed to help rental property managers, with the assistance of tenants, deal with potential and current renters who may be involved in criminal activities within the rental property.

By using the <u>Crime Free Lease Addendum</u> and the following standards, managers are able to prevent potential criminal behavior from moving onto the property. This creates a safer place for the resident to call home.

Even though no program can guarantee that there will never be any criminal activity on a property, the Crime Free Multi-Housing program has shown that it can help make a property safer and better for the tenants.

If you have any questions about the program or the minimum standards, you are encouraged to speak with the manager or contact:
